12 February 2015

Dear Parent/Carer,

On Wednesday 25 February, from 3:30-5:00pm, we will be hosting a New Curriculum Event in the junior building.

The aim of this is to give you the opportunity to find out how the changes to the curriculum are being delivered at Woodfall. There will be information from subject leaders and demonstrations from the children in Maths, English and Science. We often receive questions from parents about how they can help their children at home but many of you feel you cannot support your children as you are unsure of the content they are covering. We feel that this event will be an ideal opportunity for you to see for yourselves how we teach the core subjects of Maths, English and Science and how the changes to the National Curriculum have been implemented at Woodfall.

Children from year groups right across the school will take part in this event, delivering demonstrations of elements of the new curriculum, with teachers on hand to offer further advice if required.

We look forward to seeing you at this event.

Yours sincerely,

Mrs Jane Bramham
Deputy Headteacher

To: The Office, Woodfall Primary School, Little Neston, Neston

Child's Name: Class:

I am **able** to attend the New Curriculum Event on 25 February 2015

I am **unable** to attend the New Curriculum Event on 25 February 2015

Signed: (Parent/Carer)
