

Speech and Language Therapy Advice Line

For parents of children 0 - 19 years, and professionals.

- Do you have concerns about your child's talking ?
- Do you have concerns about the speech and language development of a child in your care?

Contact our **Advice Line** and speak to a Speech and Language Therapist for:

- Informal chat about your child's speech and language development
- An opportunity to discuss concerns and get advice
- Help to decide if a Speech and Language screening appointment would be useful
- Information about our Speech and Language Therapy Service

The Advice Line will be open

For advice, support or just to ask any questions you might have about your child's talking

Every Tuesday from 9:30am - 10:30am
Every Thursday from 3:30pm - 4:30pm

Call 01244 385060

(If the number is busy please leave a message or call back later)
