

# School of Sanctuary

<https://schools.cityofsanctuary.org/>

**We are pleased to announce that our application to become a 'School of Sanctuary' has been successful!**

We have always promoted equality and diversity at Woodfall and aim to create an environment where all members of our school community can thrive together, regardless of race, gender, age, disability, religion or sexual orientation.

We believe it is individual characteristics that make people unique and celebrate these.

Our work on the Adrift Project has reinforced this, as well as raising awareness of the issues faced by refugees and asylum seekers. The children now understand what it means to be seeking sanctuary for any reason and are ready to extend a very warm welcome to anyone joining us.

***We are proud to be celebrated as 'a place of safety and inclusion for all!'***

**Did you see our flags outside school to show support for those seeking sanctuary?**
